Thanks Christine: here is the document to upload. We need to ensure that only EPA managers have access to it and that it not be accessible to anyone outside EPA. We are concurrently sending a copy to OPRA leadership to confirm whether any further revisions are needed.

Hi Douglas,
Sure I can do it. I'm teleworking all day today. Do you want everyone to have access to it, or require limited access?
Cheers,
Christine

Anthony/Christine: We are finalizing this paper today. Given my need to leave the office just after lunch, would one of you be available to upload our document to the max.gov website? It should be ready to go later this morning.

Please let me know.

Thanks,
